Your **J.D. NEUHAUS** Sales Team

With the patented Profi series motor we have set new standards in air hoists. This means in detail: The motor brake system is the core of the JDN Air Hoists. The unique design helps to consistently reduce the number of components and provides cost-effective, low-maintenance operation. If it comes

to air hoists, make sure it's a JDN.

Convincing features:

- ✓ Reduced number of parts
- ✓ Simple setting
- ✓ Easy assembling
- ✓ Low maintenance
- ✓ Sturdy design
