Tip of the Month

Come and see the extended service offer under www.jdneuhaus.com.sg

New VDMA Directors Board

Wilfried Neuhaus-Galladé, Managing Director of J.D. Neuhaus GmbH & Co. KG, has become the new chairman of the board of directors of the VDMA sector Materials Handling and Logistic Technology.

The members of the directors board of the sector Materials Handling and Logistic Technology in the VDMA (German Engineering Federation) have elected Neuhaus-Galladé on June 16th for a period of three years to represent the interests of the sector.

With a production value of 12,4 billion Euro in 2009 the sector Materials Handling and Logistic Technology belongs to the most important industries of the German Engineering, as the VDMA reports.

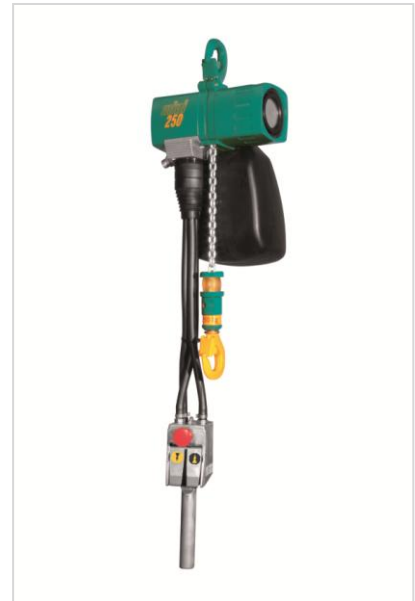

New *mini* Hand Valve

According to our product monitoring and the market requirements we have optimised the hand valve of the *mini* control.

Key features:

- Robust housing consisting of only one part
- Corrosion resistant
- Pistol grip design with contoured handle
- Lightweight for improved handling
- Infinitely variable lifting and lowering speeds for exact positioning of loads

The new hand valve will be delivered from September/October.

Further Trade Fairs 2010

Two interesting offshore fairs will be held in Norway this year:

- The ONS, 24th to 27th August in Stavanger, and the
- OTD (Offshore Technology Days), 13th to 14th October in Bergen.

At both trade fairs J.D. Neuhaus will be represented by their long-standing partner for Norway, the company Westcon Løfteteknikk AS.

We are looking forward to your visit.

Will be presented to the Norwegian experts:

- The new generation of the JDN Monrail Hoists as well as
- The JDN PROFI Hoists for sub-sea applications.
